

The West Midlands Tri-Sector Challenge

Experiential learning at its very best

Thursday 24th September 2026

The Worcester Guildhall

Step into one of the most unique leadership development experiences in the region. The West Midlands Tri-sector Challenge gives aspiring leaders the rare chance to feel what it's really like to operate at a senior level in the public sector, within a completely safe, fully supported environment

This year brings an added spark as Worcester City Council return as defending champions ready to protect their title in the heart of their own city. Inside the Guildhall, a building that has shaped civic decisions since 1721, the next chapter of this event's history awaits. Who will challenge them? Who will make history next?

Experience Senior Leadership, Safely

Across a single, intense day this is your chance to immerse yourself in a realistic, high-pressure simulation. You and your team will:

- ✓ Navigate complex, politically sensitive decisions
- ✓ Balance competing priorities under tight time pressure
- ✓ Respond to unexpected twists and red herrings
- ✓ Lead as if you were the senior management team of a local authority

It's challenging, exciting and totally risk-free. A safe space experiment, stretch your thinking and find out how you show up under pressure.

Why Take Part?

- ✓ A unique opportunity to experience senior-level public sector leadership
- ✓ A safe environment to test and grow your leadership behaviours
- ✓ Expert observation and team feedback
- ✓ The opportunity to collaborate with colleagues from across the public sector
- ✓ A genuinely enjoyable, energising day that strengthens confidence and capability

The event concludes with an informal awards presentation and complimentary refreshments.

Who Should Attend?

Ideal for aspiring leaders and current managers across:

Local
authorities

The NHS

Housing
Associations

Blue light
services

Teams of six may enter and organisations can submit multiple teams.

Investment
